ABOUT OUR ITALIAN COURSE TEXTBOOKS FOR : ITALIAN 1 THROUGH 7

This document describes the ordering information for the required textbooks that are used in the ENTIRE seven-class **Scuola di Italiano** curriculum, **Italian 1** through **Italian 7**. All books and materials are published by *Living Language*.

The textbook (including CDs and notebook) for the beginners classes – **Italian 1** and **Italian 2** – is called:

Living Language Italian, ESSENTIAL Edition: Beginner Course, w/CD
[Amazon price: approx. \$18 as of February 2021]
The Amazon link for just the Essential Edition book is: [j .mp/scuola-01](https://www.amazon.com/dp/B000000000)

However **you have another option** that will save you some dollars: Living Language also publishes a full set of the THREE BOOKS we use for the ENTIRE *Scuola di Italiano* curriculum.

This set of books is called:

Living Language Italian, COMPLETE Edition: Beginner through Advanced, w/CD
[Amazon price: approx. \$38 as of February 2021]
The Amazon link for this Complete Edition set is: [j .mp/scuola-02](https://www.amazon.com/dp/B000000000)

Please note that the Amazon product pages may give the impression that you only get the CDs with this order. Don't be misled; you get it all... books, CDs, and notebook!

Important FYI: The *Essential Edition* (single book) is the textbook we use in both beginner *Scuola di Italiano* courses: **Italian 1** and **Italian 2**. This book is also part of the three-book *Complete Edition*. The other two books in this set (the Intermediate book and the Advanced book) are used in our remaining classes (**Italian 3** through **Italian 7**) of the seven-semester series.

It's important to understand that the *Essential Edition* book is the **ONLY BOOK** of the three that is sold separately. If you think you may be continuing your Italian studies beyond **Italian 2**, and taking the remaining classes as they come up (**Scuola 3** through **Scuola 7**), you might consider purchasing the *Complete Edition* outright. It will contain all three books, all CDs, and other material. And... it saves you money!

On the other hand, if you're not sure about continuing your studies beyond **Italian 2**, and you choose to wait until later to purchase the *Complete Edition*, you will eventually end up with an extra copy of the *Essential Edition* book. In the past, students have donated their extra *Essential Edition* to the course/school. Just sayin'.

Full Disclosure: the Amazon links above are secure affiliate links that take you directly to the product ordering pages on Amazon.com. I am an Amazon affiliate, and I make a few cents on every sale at no extra cost to you when you use these links. This helps me defray expenses incurred in support of my courses. Your privacy is absolutely maintained.
